4 to 52, in fours	**Stitched**

Your file

- PDF/X-4 (ISO Coated v2), CMYK. RGB files are converted.
- Images at 300 dpi or more at their placed size.
- 3 mm bleed on every side, with crop marks.
- Keep text and images at least 3 mm inside the cut.
- One PDF: the four cover pages separate from the inner pages, as single pages in reading order.
- Remove unintended blank pages.

> In booklets of 24 pages or more, the inner pages push outwards when folded. Keep important content a little further from the outer edge on the middle pages.

Cover spread: back and front. Blue dashes: fold and staples. Red dots: 3 mm bleed.
